PILLAR
**MARK** ARCHITECTURAL LIGHTING
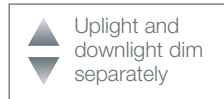

INTRODUCING PILLAR

With unsurpassed driver and controls options,
Pillar delivers outstanding illumination and visual
comfort ideal for commercial offices and classrooms.

PERFORMANCE

High-performance
batwing distribution for
even illumination

Uplight and
downlight dim
separately

Precision optics designed to
maximize distribution

DIMMING CONTROLS

The 0-10V eldoLED® driver delivers smooth, flicker-free dimming
to dark. The dual dimming option allows for separate dimming
of uplight and downlight.

Mainstream Dynamic Tunable White

Mainstream Dynamic brings exciting features once reserved for niche applications into everyday lighting systems. The Tunable White feature allows designers to include white light into their scenes—matching the optimal light for different activities or to complement colors or materials within a visual environment.

nLight®

Networked lighting controls reduces energy costs, aids in building code compliance, occupant comfort and much more. nLight® is a lighting controls solution that is easy to specify, install, and use that grows with the pace of your business today and tomorrow.

nLight® Wired

Using only standard CAT-5e cables, an occupancy sensor, wall stations and digital LED luminaires, the nLight networked digital lighting system provides unmatched flexibility.
