Mark Architectural Lighting™ offers an exemplary selection of architectural-quality LED luminaires backed by a resolute commitment to superior customer service along with an unflinching willingness to be flexible with our products and processes.

BAA **BABA** Buy America(n) Act and Build America, Buy America Lighting Solutions

Mark Architectural Lighting® and Buy America(n)

Quick Reference Guide

At Acuity Brands®, we support the Buy America(n) Act and Build America, Buy America Act, as they serve to strengthen domestic manufacturing, and back this effort in many of our key products, producing and sourcing materials in the United States. This guide features the BAA and BABA certified products available from our Mark Architectural Lighting® brand.

You will find a reference to the BAA and BABA Acts in our spec sheets for products that address requirements, or an option for adding "BAA" in the ordering information for select products. This reference guide lists all products from Mark Architectural Lighting® available for projects that address BAA and BABA requirements.

For more information on BAA and BABA and domestic preference requirements, visit https://www.acuitybrands.com/resources/trending-topics/buy-american, including BAA/BABA Guidance and Checklist.
